

Project Dogwaffle Freeware [Win/Mac]

To teach little ones to be kind to creatures they see in their everyday world, River City Zen is a multi-purpose sculpture for all ages that uses three action-packed media: paint, scissors and playdough. Kids cut out and cut up paper dolls, and make their own toys (or a mess of recyclable paper and playdough). River City Zen Freeware Description: Paintings. Doodles. Doodlings. Just like your friends! Paint Dog lets you recreate your doodles on paper or canvas and save them in your Photo Library. Change your doodles into real photographs! You can even scroll your cursor through the color wheel to choose the colors you'd like! Plus you can set the point size, move the paint, and resize your images - all with your finger! Paint Dog Freeware Description: Emma has compiled a list of all of the wonderful songs on the Internet (yes, most of them are by actual musicians!). Print it out, and get ready to dance to all the songs! Emma's song list includes pop tunes, country, and everything in between. There are even a few karaoke songs included! Gimme Dat Ding Freeware Description: Just as the name sounds like a song, this one is catchy. From children's toy to coffee mug, this is the perfect tune to go with your next drink. So, drink your brew with one of these adorably attractive mugs. Download the FREE song and get ready to have a good time! Gimme Dat Ding Free Freeware Description: TuneIn Radio is the ultimate Free Radio app for iPhone. TuneIn provides people with access to more than 6 million radio stations. The new TuneIn Radio app for iPhone makes it easy to discover and access music stations right on your iPhone. Whether you're listening to music from your iPhone or iPod touch, or whether you are one of the millions of people who use a combination of their iPhone or iPod touch and their radio, TuneIn provides a list of stations that will satisfy your needs. TuneIn Radio Free Freeware Description: Using this app will help you store your email messages in a newspaper and it will arrange the messages that will be read in the next days, according to your preferred way. This is an ideal application to organize your email if you can't read the internet messages in your mailboxes and it is also good to read the news
