There might be bugs and small issues. Please, DO NOT send bug reports. Please, send requests and feature suggestions to info@mediaparker.comQ: What do we mean by "cannot be directly verified"? We often see the phrase: "cannot be directly verified", and I'm unsure what exactly it means. For example: "The climate cannot be directly verified because no reliable data is available from the distant past." I think what I don't like about this phrase

## What's New In?
